PAH

The PAH's Club allows us to provide immediate humanitarian aid wherever it is needed. The donations made by Club Members enables us to instantly reach places affected by a natural disaster or an armed conflict, and to plan long-term, more comprehensive relief effort.

To date, the fund has enabled us to provide instant humanitarian aid in Lebanon, Syria, South Sudan, the Philippines and the Balkans, and more recently – in embattled Mosul (Iraq).

enjoy every moment.

BATORY

The aim of the Batory Foundation is to support the development of democracy and civil society – a society of people aware of their rights and responsibilities, involved in the affairs of their local community, their country and the international community.

Our priorities include: improving the quality of Polish democracy, strengthening the role of citizens and civic institutions in public life, developing international cooperation and solidarity in the European Union and Central and Eastern Europe.
